ECCHO 2016: Emergency and Critical Care Hyperbaric Oxygen Symposium

Saturday, Nov. 5, 2016, 7 a.m.–5 p.m.

Symposium description

Legacy Emanuel Medical Center is pleased to announce ECCHO 2016, an emergency and critical care hyperbaric oxygen symposium dealing with the practical issues of providing these services to critically ill patients. International, national and regional experts will discuss the real-world challenges of treating patients with the following conditions:

- Necrotizing soft tissue infections
- Burns
- Crush injuries and compartment syndromes
- Carbon monoxide poisoning
- Decompression sickness
- Arterial gas embolisms
- Compromised surgical flaps and grafts
- And more

Target audience

Providers who care for adult or pediatric patients who may need emergency/critical care hyperbaric medicine including providers from these specialties: trauma, general surgery, plastic surgery, pulmonary critical care, burn surgery and emergency medicine as well as hyperbaric physicians, nurses and technicians.

Accreditation

Legacy Health is accredited by the Oregon Medical Association to provide continuing medical education for physicians.

Legacy Health designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This course has been reviewed and approved by the National Board of Diving and Hyperbaric Medical Technology for 8.25 Category A credits.

Registration information

For more information call 503-413-3224 or visit legacyhealththevents.org.

Emergency and Critical Care Hyperbaric Oxygen Symposium

Desired outcomes

1. Demonstrate awareness of emergency and critical care hyperbaric medicine
2. Explain the role of emergency and critical care hyperbaric medicine in various conditions
3. Identify and overcome the challenges in providing emergency and critical care hyperbaric medicine to patients
4. Develop new relationships between referring physicians and the hyperbaric medicine department
5. Develop a robust, full-service hyperbaric medicine program
6. Apply their level of knowledge as providers of hyperbaric oxygen therapy

Location

Legacy Emanuel Medical Center
Lorenzen Auditorium
2801 N. Gantenbein Ave.
Portland, OR 97227

Conference fees

Physicians: \$100
Non-physicians: \$50
Free for Legacy staff registered by Sept. 30.

Hotel accommodations

Hotel Eastlund
1021 N.E. Grand Ave.
